## The Organizations We Support

For over 130 years, **Christian Care Communities** has enhanced the journey of life for older adults by delivering exceptional and compassionate care while respecting the dignity of our residents in Kentucky. Building on our faith heritage since 1884, we embrace aging as a valued part of life, seeking excellence and continuous improvement in our care-giving mission. Thanks to funds raised by Battle of the Bounce we have been able to provide patient lifts to assist in lifting residents in and out of their beds safely, a therapeutic bathtub for older adults with disabilities or limited mobility, food warming carts to for transporting heated food to its final destination, and many other items.

The **Kentuckiana Stroke Association** is dedicated to the prevention of stroke through education and awareness. We serve over 1000 people in this community yearly with both prevention and recovery information. We are a comforting resource to many stroke survivors and some of the funds raised from Battle of the Bounce will help provide scholarships for stroke survivors to attend Adventure Days Stroke Camp in the Fall.

**Mattingly Edge** cultivates partnerships that enable people with disabilities to thrive at work, at home and in relationships. Our mission is based on the belief that people with disabilities have a right to the same privileges and responsibilities as other citizens. We know that communities are better when everyone is included.
